
SUBHANKAR DHAR

Cloud & Generative AI Enthusiast | (OCI) Certified

vdhar29@gmail.com | +91 6290591422 | kolkata,India | www.linkedin.com/in/subhankar-dhar-818882295

Summary

Passionate and driven Cloud Computing enthusiast with Oracle Cloud Infrastructure (OCI) certifications and a strong foundation in cloud architecture, networking, compute, storage, and automation. Actively expanding expertise into Generative AI by exploring LLM integrations, AI cloud deployments, and AI-driven automation workflows. Skilled at designing scalable, secure, and cost-effective cloud solutions. Seeking an opportunity to work on AI-enabled cloud deployments and grow into a Cloud + AI Solutions Architect role.

Experience

Cloud Administrator - Multi tech Solutions I kolkata, India I 8 sep 2025

- Assist in deployment, configuration, and maintenance of Microservices and Api deployment using Kubernetes.
- Adding user and implemented proper IAM policies for better security

Executive – Flipkart I Kolkata, India I Nov 2023 – Dec 2024

- Managed daily logistics and supply chain operations, ensuring timely deliveries.
- Coordinated with delivery partners, sortation centres, and warehouses to streamline operations.
- Maintained and updated Logistics Management System (LMS) and ERP tools with real-time data.
- Generated daily/weekly operational reports and exception logs for management.

Skills

Cloud Administrator	—	Cloud Computing	—	Cloud Security	—	API Deployments
Microservices	—	Kubernetes	—	GenerativeAI	—	LangChain

Education

Bachelor of Technology (B.Tech) – Electronics and Communication Engineering (ECE)

Swami Vivekananda Institute of Science & Technology I Jul 2019 – Aug 2024

CGPA: 8.6/10

Certification

Oracle Cloud Infrastructure 2025 Certified Generative AI Professional – Oracle (Aug 2025)

320310326OCI25GAIOCP

Oracle Cloud Infrastructure 2025 Certified Architect Associate – Oracle (Jul 2025)

Credential ID: 320310326OCI25CAA

Oracle Cloud Infrastructure 2025 Certified Foundations Associate – Oracle (Jul 2025)

Credential ID: 320310326OCI25FNDCA

Core Skill

OCI Generative AI Deep-Dive: Pre-trained Foundational Models (Generation, Summarisation, Embedding), Flexible Fine-tuning including T-Few techniques, Model Inference, Dedicated AI Clusters, Generative AI Security architecture.

Assist in deployment, configuration, and maintenance of Microservices and Api deployment using Kubernetes. Adding user and implemented proper IAM policies for better security

Fundamentals of Large Language Models (LLMs): LLM basics, LLM architectures, Prompt Engineering, Fine-tuning techniques, fundamentals of code models, Multi-modal LLMs and Language Agents.

Cloud Platforms: Oracle Cloud Infrastructure (OCI) – Architect & Foundations Certified.

Oracle Cloud Infrastructure (OCI) certifications and a strong foundation in cloud architecture, networking, compute, storage, and automation.

Personal Details

Contact No: 62905-91422 - Date of Birth: 9 May 2001 - Nationality: Indian - Father's Name: Shankar Dhar -

Gander: Male - Pin Code: 700099 - District: South 24 Pargana - State: West Bengal - Address: 6/A/108 Mukundapur

Mother's Name: Rita Dhar - P.S: Purba Jadavpur - Email: vdhar29@gmail.com
